

SR-7687014

全自动拉窗折边机

Fully Automatic Window Folding and Gluing Machine

**Features/特点**

本产品适用于手袋、箱包、背包、皮具的直边这边, 如手袋、背包等袋口边、巴带边等, 可折补料、皮料(裹布、大面)等各类材料。本设备可自动上胶, 折边速度快, 折出效果平顺规格化, 产品质量稳定统一, 大大提高了生产效果和产品质量。同时, 本机采用双按钮操作, 安全便捷、操作简单, 生熟手均可。

This machine is suitable for straight edge folding of handbags, bags, backpacks, leather goods, such as handbags, backpacks and other bags' edges, band edges, etc., and can be folded materials, leather (wrapped, large surface) and other materials. The equipment can be automatically glued, the folding speed is fast, the folding effect is smooth and stable, and the product quality is stable and unified, which greatly improves the production effect and product quality. At the same time, the machine adopts double-button operation, which is safe and convenient, simple to operate, and can be used by experienced or non-experience.

Technical Parameters:

MODEL NO.	SR-7687014
Power	900W
Voltage	220V
Pressure	0.5T
Packaging Size	153x80x132cm
Size	12"
N.W.	120KG
G.W	150KG
