## SR-0088-1530

### Single Needle Flat Bed Innovation Zigzag Sewing Machine (Auto Lubrication & Big Kook )

**Applications:**

Suitable for sewing shoe, cap, leather clothes and bag.

**Features:**

Excellent structure design, available for sewing various materials like shoes, bags, sport articles and hats...

Mechanical rotation in high precision realized perfect stitch.

Stable function, easy operation, long life and low noise.

## SR-0088-1530P

### Single Needle Post Bed Zigzag Sewing Machine

**APPLICATIONS:**

Suitable for sewing uneven shape, bursiform, arcuate and other special shapes.

**FEATURES:**

1. Top-section size: 60mm\*70mm; column, height: 200mm
2. Adopt double presser foot with upper & lower feed that make the stitching neat and beautiful.
3. By adoption of large hook, shorten the bottom line replacement cycles, greatly improving the sewing efficiency.
4. Low noise and vibration, easy to operate.
5. Optional 2-step or 3-step zigzag sewing machine can enhance the sewing firmness.
