

**Model No: SR-6032**  
**Pipe Material Granulator**

Applicable to longer pipe or profile for crushing and recycling. Special high-performance.

**Features:**

- Screen-bracket mechanism for easily removing or changing screen
- Crank handle for safely and easily opening or closing hopper

**Note:**

1. Specially designed hopper. low level ramp to facilitate long pipes and profiles into the hopper
2. Dual V-cut technology, small energy consumption. Less shear heat, suitable plastic in the high heat-sensitive materials particle size uniformity
