SR-818A (PLC無浮底) 強力牆式壓底機

Heavy-duty Sole Attaching Machine (PLC, Without Floating Bottom & Edge Function)

SR-818B (PLC+浮底) 強力牆式壓底機 Heavy-duty sole attaching machine (PLC+ Floating bottom & edge function)

SR-818A (PLC+浮底+人機界面) 強力牆式壓底機

Heavy-duty Sole Attaching Machine (PLC+Floating Bottom & Edge Function + Touch Screen)

FEATURES:

There are eighteen pressing rubbers on the bottom of the pressing mechanism. The rubbers are controlled by oil tanks to rise and down to firm the shoes according to different shapes.

Eighteen pcs small side pressing rubbers working with eighteen pcs bottom pressing rubbers simultaneously, insure perfect pressing effect.
